The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**SEVEN-YEAR LEASE  
DEPARTMENT OF PUBLIC SOCIAL SERVICES  
12900 CROSSROADS PARKWAY SOUTH, CITY OF INDUSTRY  
(FIRST DISTRICT) (3 VOTES)**

**SUBJECT**

This recommendation is for a seven-year lease for the Department of Public Social Services (DPSS) for 8,887 rentable square feet of space for Contracts Management Division, Medi-Cal Program Division, and In-Home Support Services Program (IHSS).

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the lease is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Class 1, Section r, of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15061 (b) (3) of the State CEQA Guidelines.
2. Approve and instruct the Chair to sign a seven-year lease with RR & CWD Partnership, (Landlord) for DPSS to occupy 8,887 rentable square feet of office space at 12900 Crossroads Parkway South, City of Industry, at a maximum initial annual rental cost of \$357,202. State and Federal subvention will offset approximately 92 percent of the rental costs, and the remaining 8 percent will be net County cost.

3. Authorize the Chief Executive Office (CEO) to reimburse the Landlord and acquire substitute financing for furniture systems for DPSS at a cost not to exceed \$222,175, amortized at a maximum of 6.5 percent over a 60-month period, or \$52,165 annually.
4. Authorize the Landlord and/or Interim Director of Internal Services Department (ISD), at the discretion of the CEO, to acquire telephone systems for DPSS at a cost not to exceed \$300,000. At the discretion of the CEO, all or part of the telephone, data, and low-voltage systems may be paid in lump sum or financed over a 60-month term not to exceed \$72,512 per year, in addition to other TI allowances.
5. Approve the project and authorize the CEO, DPSS, and ISD to implement the project. The lease will be effective upon approval by your Board, but the term and rent will commence upon completion of the Tenant Improvements (TI) by the Landlord and acceptance thereof by the County.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this recommended action is to lease additional space which will relieve overcrowding and provide space for new staff. DPSS is housed in three buildings on the Crossroads Campus located at 12820, 12860 and 12900 Crossroads Parkway South, City of Industry that provide a total of 113,689 square feet of office space which combined constitutes DPSS' administrative headquarters. DPSS currently houses approximately 104 employees and a child care center in the existing facility located at 12900 Crossroads Parkway South. The facility houses the Contracts Management Division, Medi-Cal Program Division, and IHSS program.

The proposed 12900 Crossroads office space will be used for existing administrative and management staff currently housed in the building and will provide space for new staff. The plan is to move the Medi-Cal and IHSS Divisions into the first floor space and consolidate Contract Management into the existing second floor leased space.

#### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The Countywide Strategic Plan directs that we provide organizational effectiveness and ensure that the service delivery systems are efficient and goal orientated (Goal 3) and that we strengthen the County's fiscal capacity (Goal 4). In this case, the additional space or new lease supports these goals with a strategically located office with appropriate workspace for staff. In addition, we are housing a sub-vented program which will support the County's fiscal goals. Compliance with the County's Strategic Asset Management Principles is further outlined in Attachment A.

### **FISCAL IMPACT/FINANCING**

The maximum initial annual rental cost will be \$357,202 if all of the reimbursable TI funds are used.

<b>12900 CROSSROADS PARKWAY SOUTH, CITY OF INDUSTRY</b>	<b>PROPOSED LEASE</b>
Term	7 Years
Total Area	8,887 rentable square feet (sq. ft.)
Annual Base Rent	\$216,487 (\$24.36 per sq. ft.)
Base TI Allowance	\$311,045 (\$35.00 per sq. ft.)
Additional TI Allowance	\$355,480 (\$40.00 per sq. ft.)
Furniture Allowance	\$222,175 (\$25.00 per sq. ft.)
Maximum Annual Rent*	\$357,202
Cancellation	One time right after 5 <sup>th</sup> year with six months prior written notice
Parking (included in Rent)	35 spaces
Option to Renew	None
Annual Rental Adjustment	CPI with a minimum of 2.5 percent to a maximum of 5 percent throughout the term.

\* \$357,202 represents the maximum initial annual cost which includes an annual base rent of \$216,487, reimbursable TI funds of \$355,480, if amortized over 60 months at the proposed rate of 9 percent, the annual TI reimbursement amount will be \$88,550 and a furniture allowance of \$222,175 amortized over 60 months at the proposed rate of 6.5 percent, the annual furniture reimbursement amount will be \$52,165.

Sufficient funding for the proposed lease costs will be available in the proposed 2008-09 Rent Expense budget and will be billed back to DPSS. DPSS will have sufficient funds in its 2008-09 operating budget to cover the projected lease costs. State and Federal subvention will be used to fund 92 percent of the rental costs, and the remaining 8 percent will be net County cost.

Based upon a survey of similar office buildings within the City of Industry area, staff has determined that the rental range for a full service gross lease is between \$26.20 and \$36.00 per square foot per year. Thus, the proposed base annual rental rate of \$24.36 per square foot is at the low end range for the area.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed seven-year lease agreement comprises 8,887 square feet of office space, along with 35 parking spaces. The proposed lease contains the following provisions:

- The term commences upon completion of the TI by the Landlord, and acceptance thereof by the County. The term expires seven years thereafter.

- A base TI allowance of \$311,045 is included in the rent.
- A reimbursable TI allowance totaling \$355,480 is included in the proposed lease and it is payable after substantial completion of the TI work, via monthly amortization payments at an amortization rate of 9 percent over the initial 60 months of the term of the lease or via lump sum payment payable at anytime.
- A reimbursable Furniture allowance totaling \$222,175 is included in the proposed lease and it is payable in lump sum after substantial completion of the TI work.
- There is a cancellation provision allowing the County to cancel one time after the fifth year upon six months advance notice to the Landlord.
- The rent includes on-site parking for 35 vehicles.
- This is a full service gross lease whereby the Landlord is responsible for all operating expenses associated with DPSS' occupancy.
- The Base Rent is subject to annual increases of a minimum of 2.5 percent to a maximum of 5 percent throughout the term.

CEO Real Estate staff surveyed the City of Industry area, based on the search area parameters provided by DPSS, to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed areas that could accommodate this requirement more economically. Attachment B shows all County-owned and leased facilities within the search areas for these programs. There are no County-owned or leased facilities available for this program.

This space requirement was approved for 7,052 square feet in July 2007. When the subject building was initially identified as available for expansion, the Landlord stated that it was impossible to divide the space below the remaining 8,887 square feet of space within the building. Thus, the CEO and DPSS staff considers the proposed lease to be the best solution based on costs associated with locating to another site and the efficiency of expanding into the building's remaining available space, although, it exceeds the approved request by 1,835 rentable square feet of office space.

The subject building was constructed in 1986 and was previously approved for occupancy by the Department of Public Works.

The subject facility has an on-site child care facility.

**ENVIRONMENTAL DOCUMENTATION**

The project is categorically exempt from CEQA pursuant to Class 1, Section r, of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15601 (b) (3) of the State CEQA Guidelines.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed lease will provide the necessary office space for this County requirement. DPSS concurs with the proposed lease.

**CONCLUSION**

It is requested that the Executive Officer, Board of Supervisors, return two originals of the executed lease agreement and the adopted, stamped Board letter, and two certified copies of the Minute Order to the CEO, Real Estate Division at 222 South Hill Street, 4<sup>th</sup> Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA

Subject to adjustment in accordance with Section 32, Tenant shall pay Landlord the Base Rent stated in Section 1(j) during the Term hereof within fifteen (15) days after Landlord files a claim therefor for each such month with the Auditor of the County of Los Angeles (the "County") prior to the first day of each month. Base Rent for any partial month shall be prorated in proportion to the number of days in such month.

(b) Operating Expenses Rent. Concurrently with, and in the same manner as, Base Rent, Tenant shall pay "**Operating Expenses Rent**" equal to Tenant's Proportionate Share of Operating Expenses, calculated in accordance with Section 33.

Landlord shall, prior to Tenant's occupancy, abate, at Landlord's sole cost and expense, all asbestos containing materials to the extent required by law and provide Tenant with an updated report from a licensed California asbestos contractor to that effect.

(b) Landlord Obligations. Subject to Tenant's payment of Operating Expenses Rent, Landlord shall repair and maintain the Premises in good condition and working order, reasonable wear and tear excepted, including promptly repairing and maintaining the following as needed:

12. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Base Rent and Operating Expenses Rent shall be prorated based upon the percentage of the Premises rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Default") shall constitute a material default and breach of this Lease by Tenant:

(i) the failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten (10) days after written notice to Tenant;

(ii) the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of thirty

(b) End of Term. Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section 17 shall determine the rights and obligations of Tenant and Landlord. "**Condemnation**" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "**Condemnor**" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "**Date of Taking**").

(c) Partial Taking. If more than ten percent (10%), but not all, of the floor area of the Premises is taken by Condemnation, this Lease shall remain in effect unless either Landlord or Tenant elects to terminate this Lease. Either party electing to so terminate this Lease must exercise its right to terminate the Lease by giving notice to the other party within thirty (30) days after the date that the nature and the extent of the Condemnation have been determined (the "**Determination Date**"), which notice shall set forth the date of termination. Such termination date shall not be earlier than thirty (30) days nor later than ninety (90) days after the electing party has notified the other party of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination the electing party has designated. If neither party elects to terminate this Lease within thirty (30) days after the Determination Date, all provisions of this Lease shall remain in effect, except that Base Rent and Operating Expenses Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within thirty (30) days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000 and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section 19 and deliver evidence thereof as required by this Lease shall constitute a material breach of this Lease.

(b) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have Best's Ratings of "A" and "VII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Tenant shall be written as primary policies, not contributing with, and not in excess of coverage which Landlord may carry.

(c) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least fifteen (15) days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than thirty (30) days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(d) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

## 20. PARKING.

(a) Tenant's Rights. Tenant shall have the right to use the number of nonexclusive parking stalls set forth in Section 1(o) without charge for the Term of this Lease. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that no parking spaces are for the exclusive use of Tenant; rather, all parking spaces at the Property are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building.

(b) Remedies. Landlord acknowledges that it is a material term of this Lease that Tenant have use of all Parking Spaces on the Property specified in Section 1(o) for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provision. Accordingly, for each Parking Space specified in Section 1(o) that Tenant cannot use for any reason at any time during the Term (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or

costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials caused by the Indemnitor. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. Each party shall promptly deliver to the other party a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. The indemnity obligations contained in this Section 21(b) shall survive the expiration or termination of this Lease and an Indemnitor's default thereof shall constitute a material default under this Lease.

## 22. ESTOPPEL CERTIFICATES

(a) Execution and Delivery. On thirty (30) days' written notice from Landlord, Tenant shall execute, acknowledge and deliver to Landlord or its designee a written statement in the form as Landlord shall designate of (a) Supplemental Lease Document II, as the parties shall have approved, or (b) such other form as Landlord's existing or prospective lender or mortgagee shall reasonably require, certifying: (i) that none of the terms or provisions of this Lease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Lease has not been cancelled or terminated; (iii) the last date of payment of the Base Rent and other charges and the time period covered by such payment; (iv) that Landlord is not in default under this Lease (or, if Landlord is claimed to be in default, stating why); and (v) such other representations or information with respect to Tenant or this Lease as Landlord may reasonably request or which any prospective purchaser or encumbrancer of the Property may require. Tenant shall deliver such statement to Landlord within ten (10) business days after Landlord's request. Landlord may give any such statement by Tenant to any prospective purchaser or encumbrancer of the Property. Such purchaser or encumbrancer may rely conclusively upon such statement as true and correct.

(b) Failure to Deliver. If Tenant does not deliver such statement to Landlord within such ten (10) business days, Landlord, and any prospective purchaser or encumbrancer, may conclusively presume and rely upon the following facts: (i) that the terms and provisions of this Lease have not been changed except as otherwise represented by Landlord; (ii) that this Lease has not been canceled or terminated except as otherwise represented by Landlord; (iii) that not more than one month's Base Rent or other charges have been paid in advance; and (iv) that Landlord is not in default under the Lease. In such event, Tenant shall be estopped from denying the truth of such facts.

23. LIENS. Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder. Each party hereby indemnifies, defends and holds the other party harmless from any liability or loss from any such lien it causes or allows to attach to its interest in this Lease or the Premises.

(c) Brokers. Landlord and Tenant hereby warrant to each other that they have had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Lease, excepting Majestic Realty Co. for whose commission Landlord shall be solely responsible. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including without limitation reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent, other than the Brokers. Landlord's Broker hereby discloses to Landlord and Tenant, and Landlord and Tenant hereby consent to Landlord's Broker acting in this transaction as the agent of Landlord exclusively.

(d) Entire Agreement. This Lease, including without limitation the Work Letter and Supplemental Lease Documents, is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

(e) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(f) Notices. All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(g) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

(h) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

(i) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.

not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

(c) Landlord Assignment.

(i) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Rent directly to an assignee or transferee, but only if the conditions set forth in this Section 30(c) are met.

(ii) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section 30(c) shall be void.

(iii) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibit the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County acknowledges and agrees that Landlord shall have the right to encumber the Property with collateralized mortgage-backed securities ("CMBS") financing or other traditional real estate financing; provided, however, Landlord shall not encumber the Property with any type of bond financing, including but not limited to certificate of participation financing.

(iv) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

(v) Landlord shall give the Tenant notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments

$(\text{Base Index}) \times (\$1.11) \times (\text{rentable square footage of Premises}) = \text{New Monthly Base Rent}$

If the Index is changed so that the base year of the Index differs from that used as of the Commencement Date, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, such other governmental Index or computation with which it is replaced shall be used in order to obtain substitute index (if the original index is discontinued without a replacement), then upon demand by either party, the matter shall be submitted to arbitration for the purpose of determining an alternate method of computing the rental adjustment based upon the increase in the cost of living.

In no event shall the Base Rent adjustment based upon the CPI formula set forth in Section 32(b) result in an annual increase greater than FIVE PERCENT (5%), nor less than TWO AND ONE-HALF PERCENT (2.5%), of the Base Rent in effect immediately prior to the adjustment.

33. OPERATING EXPENSES RENT AND ADJUSTMENT. In addition to, and concurrently with its payment of, Base Rent, Tenant shall pay to Landlord, as Operating Expenses Rent, Tenant's Proportionate Share of the operating expenses associated with Landlord's ownership, maintenance, operation and management of the Property ("**Operating Expenses**"). Tenant's "**Proportionate Share**" is the rentable square feet of the Premises (see Section 1(c)) divided by the total rentable square feet in the Building (see Section 1(l)), as specified in Section 1(m). For each calendar year during the Term, the Operating Expenses shall be subject to adjustment as follows. Prior to the beginning of each calendar year, Landlord shall provide Tenant with a budget of Operating Expenses due under this Lease for the next ensuing twelve (12) months. The Tenant's Proportionate Share of the Operating Expenses for the first calendar year of the Term is estimated to be NINETY-TWO CENTS (\$0.92) per rentable square foot of the Premises annually. See Section 1(j).

(a) Operating Expenses. Landlord's Operating Expenses shall include, without limitation, all reasonable and necessary costs of any kind paid or incurred by Landlord in the operation, servicing, repair, maintenance (in neat, clean, safe, good order and condition) but not replacement of the basic structure of the Building, including, without limitation, the costs incurred by Landlord in connection with its repair obligations set forth in Section 10(b) hereof. These costs shall include the following:

(i) Maintenance, repair and replacement of the Building finishes, including, but not limited to, painting walls and replacing floor coverings and Building finishes.

(ii) Maintenance, repair and replacement of the HVAC, plumbing, and electrical systems; life-safety equipment; telecommunication and other equipment (collectively, the "**Building Components**") used in common by or for the benefit of occupants of the Building; elevators, tenant directories, fire detection systems, including sprinkler system maintenance and repair. If any Building Component is replaced, the cost thereof for which Tenant shall pay its Proportionate Share shall be net of any amount previously reserved to pay for such replacement, amortized on a straight-line basis over the useful life of the Building Component.

(viii) Any bad debt loss, rent loss or reserves for bad debts or rent loss.

(ix) The rental and other related expenses incurred in leasing air conditioning systems, elevators or other equipment ordinarily considered to be of a capital nature, except equipment not affixed to the Building that is used in providing janitorial or similar services.

(x) Costs, including permits, license and inspection costs, incurred with respect to the installation of tenant improvements made for tenants in the Building or incurred in renovating or otherwise improving, decorating, painting or redecorating vacant space for tenants or other occupants of tenants within the Building.

(xi) Capital expenditures required by Landlord's failure to comply or by Landlord's necessity to comply with laws or building codes enacted on or before the date of Tenant's occupancy of the Premises.

(xii) Interest points and fees on debt or amortization on any mortgage or mortgages encumbering the Building or the Property.

(xiii) Any other expenses that in accordance with generally accepted accounting principles, consistently applied, would not normally be treated as an operating expense by landlords of comparable buildings.

(xiv) Fees relating to any ground leases.

(xv) Any and all of Landlord's expenses relating to any parking facility or facilities on or about the project or comprising a part of the Building except to and only to the extent that such expenses exceed the revenues associated with such facilities, or the revenues that would be associated with such facilities if such facilities were operated so as to reasonably maximize such revenues, whichever revenue amount is greater.

(xvi) The costs associated with the remediation or mitigation of Hazardous Materials as defined in this Lease, except to the extent introduced by Tenant or its agents, contractors, employees or invitees.

(xvii) The costs in excess of any profits derived by Landlord associated with retaining a parking vendor to operate the parking lot that is utilized by Tenant's employees.

(xviii) Costs for which Landlord has a right of reimbursement from others.

On or about each April 30, Landlord shall endeavor to furnish to Tenant an itemized, detailed statement prepared, signed and certified to be correct by Landlord, of the total actual Operating Expenses for the prior calendar year, (the "**Actual Operating Expenses** ") and Landlord's reconciliation of the Estimated Operating Expenses charged the prior year with the Actual Operating Expenses for that year. Tenant shall pay Tenant's Proportionate Share of the Actual Operating Expenses if any, in excess of the Estimated Operating Expenses for the prior year within ninety (90) days after Tenant receives the Actual Operating Expenses statement. Landlord shall pay Tenant the amount of Tenant's Proportionate Share of the Estimated

The Working Drawings may be submitted in one or more stages and at one or more times. Landlord shall provide Tenant the Working Drawings, or such portion as has from time to time been submitted, for Tenant's review and reasonable approval within three (3) business days.

5.3 Preparation and Approval of Engineering Drawings. Landlord shall cause the Architect to insure that all engineering drawings prepared by the Engineer, showing complete mechanical, electrical, plumbing, and HVAC plans ("**Engineering Drawings**"), are incorporated and integrated into the Working Drawings. The Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review and reasonable approval within three (3) business days.

5.4 Integration of Working Drawings and Engineering Drawings into Final Plans. After Tenant has approved the final Engineering Drawings, Landlord shall cause the Architect to integrate the approved Working Drawings with the approved Engineering Drawings (collectively "**Final Plans**") and deliver five (5) sets of the Final Plans to Tenant for its review and reasonable approval within three (3) business days. The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction and for the layout, improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements) and power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements.

5.5 Approval of Plans by Tenant. In approving the Final Plans, Tenant shall not expressly or impliedly represent that the Tenant Improvements are designed adequately or correctly. In all events, however, Tenant shall approve the Final Plans if they are consistent with the approved Engineering and Working Drawings.

5.6 Construction Schedule. Within thirty (30) days after the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to Tenant's reasonable approval within three (3) business days. The construction schedule shall set forth the dates for specific completion of certain project benchmarks including, but not limited to, completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of construction contract, construction commencement, construction completion,

(c) Furniture Allowance. On behalf of Tenant, Landlord shall pay Tenant's furniture vendor the Furniture Allowance towards the total cost of Tenant's modular furniture and shall provide Tenant copy of the invoice therefor, which Tenant shall approve within three (3) business days. Within sixty (60) days after the Commencement Date, Tenant shall repay the Furniture Allowance to Landlord in a lump sum without interest. See also Work Letter Section 9.

(d) Change Orders. Landlord shall advance the costs of all mutually approved Change Orders on behalf of Tenant. Within sixty (60) days after the Commencement Date, Tenant shall repay the such costs to Landlord in a lump sum without interest.

## **7. Construction of Tenant Improvements.**

If any work required by the Final Plans is not described on Addendum B or otherwise described in an approved Change Order, the work shall be performed by Landlord at its own cost and expense and not included in the cost of Tenant Improvements.

7.2 Bids. Unless waived by Tenant in writing, the Contractor for the Tenant Improvements shall obtain three (3) bids from responsible and qualified persons for each subcontractor's work. Landlord shall submit three (3) sealed fixed price bids for such subcontracts to Tenant for its review prior to the award thereof. The bids shall be jointly opened and reviewed. The bids shall include an itemized list of all materials and labor and shall include all additional costs, including architects and engineering fees, permits, reasonable contractor's profit and overhead, and project management fees. Three (3) bids for the purchase and installation of the office furniture system, prepared by the furniture dealer, shall be included in the construction estimates, if applicable.

(a) Permits. Landlord shall secure the approval of governmental authorities, and all permits required by governmental authorities having jurisdiction over such approvals and permits for the Tenant Improvements, promptly after approval of the Final Plans.

(b) Commencement of Construction. Landlord shall commence construction of the Tenant Improvements within fifteen (15) days after issuance of all such necessary permits. Landlord shall commence and, once commenced, shall thereafter diligently proceed to construct and complete all Tenant Improvements, subject to any cessation that may be caused by Force Majeure Delays.

7.3 Construction. Construction of the Tenant Improvements will be subject to the following terms and conditions:

(a) Notice of Nonresponsibility. Landlord and the Contractor shall cooperate with Tenant in posting a notice or notices of nonresponsibility by Tenant.

9.1 Tenant shall deliver to Landlord within ten (10) days after execution hereof, modular furniture plans and specifications (the "Modular Specifications"). Based on the Modular Specifications, Landlord and /or Landlord's Architect shall prepare a modular furniture specifications bid package for submission to no less than three (3) furniture vendors. Prior to submission for bids, Landlord shall review the bid package with Tenant and Tenant shall have the reasonable right to approve or disapprove the bid package. Landlord shall provide at its cost the modular furniture set forth in the Modular Specifications and shall not be responsible for the cost of such modular furniture in excess of the Furniture Allowance. Pursuant to Work Letter Section 6.3(c), Tenant shall reimburse Landlord for all costs of such modular furniture that Landlord shall have paid.

9.2 Tenant may opt to finance its lump-sum payment for the cost of modular furniture through lease-purchase financing with a third-party vendor ("Creditor"). In the event Tenant elects to enter into a lease-purchase financing of the furniture and telecommunications equipment (the "Personal Property") through a Creditor, Landlord expressly agrees as follows:

(a) The Personal Property shall not become part of the Premises or Property but shall remain personal property removable by the Creditor and its assigns, provided that any damage occasioned by such removal shall be repaired by Creditor.

(b) Landlord shall be notified by Creditor of any plan by Creditor to remove the Personal Property.

(c) This section shall be binding on the representatives, successors and assigns of all parties hereto and shall inure to the benefit of the successors-in-interest to all parties hereto.

(d) Landlord shall waive any right to gain possession of any of Personal Property during the Term of this Lease by executing and delivering Landlord's Waiver and Agreement in the form of Exhibit F.

10. **Tenant Improvement Costs Adjustment and Right to Audit.** Within forty-five (45) days of the issuance of a Certificate of Occupancy, or a final sign-off by the City of Industry, whichever occurs first, Landlord shall provide to Tenant a statement showing in reasonable detail all Tenant Improvement Costs and the total amount payable hereunder by Tenant to Landlord. Upon approval of the statement by Tenant, payments by either party pursuant to the Lease and this Work Letter shall be adjusted as appropriate, based upon such statement. Tenant shall have the right to audit these costs for a period of twelve (12) months from the date of acceptance by Tenant of the Premises. In the event the audit shows that Tenant is entitled to a reduction in payments to the Landlord under this Work Letter, Tenant shall provide Landlord with a copy of the audit summary and, if Landlord agrees with the findings of such audit summary, then Landlord shall pay Tenant the amount of any over-payment made by Tenant within thirty (30) days and future payments shall be adjusted as appropriate based upon the audit results. If Landlord reasonably objects to the findings of the audit summary, then the dispute shall be resolved through binding arbitration mutually acceptable to the parties.

11. **Exclusions.** The Tenant Improvement Costs shall not include any costs incurred for asbestos abatement, base fire sprinkler system changes, or conversion of air conditioning systems

(ii) unduly lengthy delay in receiving governmental approvals of Final Plans;  
or

(iii) Tenant's disapproval of the Final Budget because it is more than the Preliminary Budget, in accordance with Work Letter Section 6.1.

### 13.2 Limitations.

(a) Notice. No Tenant Delay or Force Majeure Delay shall be deemed to have occurred unless Landlord has provided written notice to Tenant, within forty eight (48) hours of the event giving rise to such claim, in compliance with the Lease, specifying that a delay is claimed to have occurred because of actions, inaction or circumstances specified in the notice in reasonable detail. If such actions, inaction or circumstances qualify as a Tenant Delay or Force Majeure Delay, then a Tenant Delay or Force Majeure Delay, as applicable, shall be deemed to have occurred only commencing as of the date Tenant received such notice from Landlord.

(b) Mitigation. Tenant Delays shall advance the date Substantial Completion actually occurs, and Force Majeure Delays shall extend the Projected Acceptance Date, only if Landlord, its Architect, Engineer and/or Contractor are actually delayed in their performance of this Work Letter and/or the contracts with Landlord, despite Landlord's reasonable efforts to adapt and compensate for such delays, which efforts Landlord shall be obligated to make (provided such additional cost incurred by Landlord due to such effort does not exceed \$1,000 on a cumulative basis, unless Tenant agrees to pay to such excess).

(c) Concurrent Delays. Tenant Delays and Force Majeure Delays shall be recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay or Force Majeure Delay which is effective hereunder. For example, if two (2) Tenant Delays of four (4) days each occur at the same time, then Substantial Completion shall be deemed to occur only four (4), rather than eight (8), days before Substantial Completion actually occurs.

(d) Change Orders. Landlord may not claim that a Change Order requested by Tenant was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the Change Order authorization.

14. **Tenant Remedies.** Subject to Work Letter Section 13, if Landlord fails to obtain the building permit to construct the Tenant Improvements within a reasonable time, taking all factors into consideration, so that Substantial Completion does not occur within sixty (60) days from the Projected Acceptance Date, Tenant may, at its option, on thirty (30) days' written notice to Landlord:

14.1 Cancel the Lease in accordance with Lease Section 4(b); or

14.2 Assume responsibility for providing the Tenant Improvements itself unless Landlord causes Substantial Completion to occur within said thirty (30) day period. If Tenant elects to provide the Tenant Improvements itself, then:
